Part A. Read the text and do the following tasks (6 points):

Ellen comes home and counts her chickens. “Oh no!” she says. “One chicken is missing again!” Ellen is a farmer. She has a little farm. She breeds chickens, geese and ducks. She likes it very much. But Ellen has a problem. Her problem is that a thief often steals from her farm. One day Ellen goes to the pub and talks to the people about her problem. “Get a guard,” the people say. “I don’t have money to pay a guard,” Ellen says. “I know a good guard, and he is not expensive,” old Bill says. His name is Frank. He is seven feet tall (213 cm) and weighs 300 pounds (136 kg). And listen to this: He can run 30 miles per hour (48 km/h).” “You’re joking, right?” Ellen says. “No, I am not,” Bill says. “How much money does Frank want?” Ellen asks. “Frank does not want money,” Bill answers. “So what does he want?” Ellen asks. “He works for food.” “For food?” Ellen is surprised. “Does he eat a lot?” “Not much,” Bill says. “And what does he eat?” Ellen is smiling. She is sure old Bill is joking. “Mostly leaves and seeds,” Bill answers. Ellen starts laughing. “I want Frank. Tell him he can start working for me tomorrow.” Ellen laughs again. The next morning a truck stops in front of Ellen’s farm. Bill gets out of the truck, and then Frank gets out of the truck. Ellen can’t believe her eyes. Frank is a huge bird – an ostrich. Ellen has a guard now. Nobody dares to steal from her farm anymore.
