Part A. Read the text and do the following tasks (15 points):

Well, make sure you visit Harrods – and join the 30,000 people who visit it every day. Harrods is the world's most famous department store and it sells 'all things for all people', including clothes, carpets, electronic goods, toys, pets, antiques, perfumes, fine food and travel services.

Facts and figures

The Egyptian Mohammed Al-Fayed is the owner of Harrods and he has spent a lot of money on the building. There are over 300 departments on seven floors, and 5,000 staff from over 50 different countries. Departments include the Egyptian Hall, the Jewellery Room and the impressive Food Halls. Visitors can go up the Egyptian stairs in the centre of the building. All year round 11,500 light bulbs light up Harrods at night to make it one of the most famous sights in London.

It's amazing!

The most expensive shoes in the world are in Harrods. They cost \$1.6 million and they have a full-time security guard. They are made of precious metal and have 642 expensive jewels! You can even go to the hairdresser's in Harrods. And if it is your first haircut there, you get a certificate. But you can't wear what you want in Harrods. You can't wear shorts or vest T-shirts, and you can't carry your backpack on your back.

Winter sale

Harrods has a very famous winter sale. More than 300,000 shoppers come on the first day of the sales. Some people queue all night outside in the cold to get the best bargains!
